

I've Submitted Files Online, Now What?

That is up to you! Some of our clients simply submit files to our office and leave the rest to us. Others prefer to be kept up to date on our progress at regularly defined intervals. Should you have special reporting requirements or unique servicing issues, we will make a good faith effort to accommodate you. Our friendly staff is never more than a phone call or email away to address any questions or concerns you may have regarding your files.
